

Diesel/Mobile Source Subcommittee 11-28-07

1. **First Meeting Date:** suggest teleconference
2. **Group Members Present:**
Roland Bart- CMCOG
Shane Belcher- FHWA
Shannon Lizewski- City of Columbia
Mike Bridges International Paper
Chris Corley- DHEC
Nelson Roberts- DHEC
3. **Leader:**
4. **Additional Stakeholders:**
Lexington County
Kershaw County
Richland County
Town of Lexington
School Districts- Lexington & Richland counties
Trucking Association
5. **Ideas suggested to pursue:**
 - Additional bus service to large employers (i.e. International Paper)
 - Encourage purchase of more efficient vehicles by public and governments
 - Electrification of a truck stop in our area - seek grants to do
 - Anti-idling promotion at schools
 - Encourage carpooling
 - Make bio-diesel more available
 - Encourage purchase of hybrids by public and on state contract
 - Selection of pool vehicles by agencies should be based on most efficient vehicles being selected first (use of smallest, most efficient vehicle per task)
 - Encourage purchase of local produce
 - Research what other have done- (i.e. - Rock Hill)
 - Put GPS in local government vehicles to encourage best route selection and avoid unnecessary side trips
 - Add local fueling stations near destinations (combining delivery with refueling)
